SPEC SHEET · PLUG AND PROMPT BY PRAVIO

Plus RECOMMENDED

The mid-range machine. A larger AI for longer documents, with room to grow.

One-time price, from
GBP 7,999
You own the machine

AI MODEL
GPT-OSS 120B
A larger openly published model, stronger on long documents and reasoning.

TEAM SIZE
10 to 20 users
Each person has their own account and chats. User numbers are a guide.

DATA
Stays in your office
Chats and files are stored on the machine's own disk. You decide what connects.

Included as standard

- **Private AI chat** for drafting, summarising and questions
- **Personal accounts** with sign-in for each user
- **Chat history** kept per user on the machine; each person can delete their own
- **Reads scans and photos** text from scans, photos and screenshots
- **Record of use** who asked and when, never what they wrote
- **Admin controls** add and remove users, choose how long the record is kept
- **Encrypted storage** and nightly encrypted backups
- **On-site installation** by our engineer
- **Pay when it works** 50% deposit, balance after you sign it off

Hardware

AI chip	**Processor and graphics on one chip**
Memory	**128 GB, shared by processor and AI**
Processor	**16 cores**
Storage	**4 TB solid-state drive**
Network	**Wired Ethernet, up to 10 Gb**
Case	**Compact mini PC, office-quiet**
Power	**Standard UK mains socket**
Software	**Pre-installed and ready to use**

Add-ons and care

Priced separately, on the same machine. Add-ons come one at a time: ask what is available today.

Knowledge base PLANNED
Answers from your own files, policies and manuals.

Takes on tasks PLANNED
Works through multi-step tasks, such as preparing a report.

Connections PLANNED
Links to your business software, and web search. Off until you switch them on.

Voice notes PLANNED
Turns recorded notes and meetings into text.

Pravio Care
Essential, Plus or Complete, from GBP 149 a month. Essential is required for the first year.

Max machine
For 20 to 50 users and faster answers at busy times.

Indicative specification: AI technology moves fast, so the final machine may differ. Prices subject to hardware availability. Hardware warranty from the manufacturer or reseller. Outside connections are blocked by default. UK only.
