SPEC SHEET · PLUG AND PROMPT BY PRAVIO

Max

The high-end machine. Our most capable AI.

One-time price, from

GBP 29,900

You own the machine

AI MODEL

GPT-OSS 120B+

Runs at full speed for many users, with room for larger models.

TEAM SIZE

20 to 50 users

Each person has their own account and chats. User numbers are a guide.

DATA

Stays in your office

Chats and files are stored on the machine's own disk. You decide what connects.

Included as standard

- **Private AI chat** for drafting, summarising and questions
- **Personal accounts** with sign-in for each user
- **Chat history** kept per user on the machine; each person can delete their own
- **Reads scans and photos** text from scans, photos and screenshots
- **Record of use** who asked and when, never what they wrote
- **Admin controls** add and remove users, choose how long the record is kept
- **Mirrored, encrypted storage** two copies on two drives, nightly encrypted backups
- **On-site installation** by our engineer
- **Pay when it works** 50% deposit, balance after you sign it off

Hardware

Graphics (GPU)	**96 GB pro GPU, room for a second**
Processor	**32-core server class**
Memory (RAM)	**128 GB, error-correcting**
Storage	**2 × 4 TB SSD, mirrored**
Network	**10 Gb wired Ethernet**
Case	**Tower or rack-mount**
Power	**Standard socket, up to 1 kW**
Software	**Pre-installed and ready to use**

Add-ons and care

Priced separately, on the same machine. Add-ons come one at a time: ask what is available today.

Knowledge base PLANNED
Answers from your own files, policies and manuals.

Takes on tasks PLANNED
Works through multi-step tasks, such as preparing a report.

Connections PLANNED
Links to your business software, and web search. Off until you switch them on.

Voice notes PLANNED
Turns recorded notes and meetings into text.

Pravio Care
Essential, Plus or Complete, from GBP 249 a month for Max. Essential is required for the first year.

Second GPU and Max+
Add a second 96 GB GPU, or Max+ for larger organisations.

Indicative specification: AI technology moves fast, so the final machine may differ. Prices subject to hardware availability. Hardware warranty from the manufacturer or reseller. Outside connections are blocked by default. UK only.
